

# What Is Quality Child Care?

## **QUALITY CHILD CARE SUPPORTS FAMILIES...**

*It enables parents to work or go to school while knowing that their children are safe and nurtured.*

*Quality child care exists when parents and providers are aware of children's needs and how to fulfill them.*

*Concerned and knowledgeable care givers provide an environment where children can experience encouragement of acceptable behavior, stimulation from adults and materials and opportunities to learn and practice new skills.*

*Quality child care provides a sound basis for future learning and living.*

## RAINBOW OF KIDS ACADEMY

2708 N. CENTRAL AVE.  
TAMPA, FL 33602

## *From The Rainbow Staff*

*"If you fail to plan, you are literally planning to fail"*

The Rainbow staff need your help with planning your child's futures. Our Rainbow family is excited about the opportunity to help guide your child on the road to establishing the total package...

**GREAT EDUCATION + GREAT SOCIAL SKILLS**  
= **UNLIMITED POSSIBILITIES**

## Our Mission Statement

“Where there is no vision, the people perish...” (Proverb 29:18)

Our mission is to assist with developing social skills for our students as well as to educate our students. We focus on having high academic standards and respect for others while in a safe and caring environment. Our Academy is focused on closing the achievement gap through hands-on learning opportunities in the most important subjects...

...MATH & READING.
